#### **DLNR OFFICES IN HILO STATE BUILDING HAVE NEW PHONE NUMBERS**

HILO - The Department of Land and Natural Resources (DLNR) staff offices for the Divisions of Aquatic Resources, Land, State Parks, and Engineering located in the State Office Building at 75 Aupuni St. Room 204 in Hilo have changed phone numbers effective today, December 22, 2011.

New phone numbers will be as follows:

Division of Aquatic Resources (DAR): 961-9530

Land Division (LD): 961-9590

State Parks Division (SP): 961-9540

Engineering: 961-9588

The fax number supporting all divisions has changed to 961-9599.

Phone numbers for DLNR's other divisions on the Big Island will remain the same and can be found in the white pages of the telephone book under State Government listings or on the DLNR webpage at [www.hawaii.gov/dlnr](http://www.hawaii.gov/dlnr)

The change is part of a move to improve public service by replacing aging phones. The office location will remain the same. Anyone who calls the old office numbers will hear a recording that will give the new number. Calls will not be automatically forwarded. Callers will need to hang up and re-dial the new number.
